Why is the Census Important?

The Census is so much more than just a head count. Its results will impact New Jersey for the next ten years.

- Distribution of more than $45.8 billion in federal funds within NJ annually to support important programs and services like Medicaid, Head Start, schools, hospitals, roads and more.

- Helps determine New Jersey’s number of seats in the house of representatives, its number of votes in the electoral college and our voting district boundaries.
A Last Chance for Public Attention

- Census Bureau aiming for “week of action” to replicate April 1
- Digital outreach has been exhausted
- Loosening COVID-19 restrictions
- Need for in-person contact for final persuasion
Event Considerations

How should I plan a Push Week event?
Remember the goal: maximize Census response

- Converting non-responders into responses
  - Focus on how to get the Census done right then and there (online/phone option)
  - People may need persuasion
  - Personal approach (why the Census mattered to me and to our community)
Who What When Where How

- **Who**: Identify audience
- **What**: Activity type (door-to-door canvassing? Food distribution? Flyers/posters? Mobile kiosk?)
- **When**: Time of day
- **Where**: Where are hard-to-count areas near you?
- **How**: Social distancing and cultural competence

www.census2020nj.org
Who

- Hard-to-count communities
- Trying to match messengers with appropriate communities
- Consider service population
What: Activities

- Consider Activities With In-Person Contact
  - Door-to-door canvassing (consider giveaways)
  - Food and mask distribution (people waiting in line need something to do!)
  - Direct-services waiting rooms (tax prep, WIC office, etc.)
  - Mobile kiosk with food truck
  - Take 15 minutes from church service to fill out Census

- Maximize active time
  - Passive “tabling” will not get volume needed
When

- July 27-August 2, 2020
- Time of day with maximum foot traffic
- Consider partnering with other events with foot traffic
Focus on low-response tracts
Use this map to identify tracts with lower than 50% response rates:
https://www.censushardtocomountmaps2020.us/
Example to the right: my Census tract!
How

- **Social Distancing**: masks/gloves and hand sanitizer, maintain 6-ft distance, obey State guidelines for group size (100 ppl inside or 25% capacity, 500 ppl outside)
- **Media**: Reach out to local media to cover your event
- **Cultural Competence**: Recognize why someone might not respond
- **Language Support**: Ensure that staff or volunteers speak appropriate languages for targeted population
The Message: What to tell folks

The final pitch
What Will The Census Ask?

Filling out the 2020 Census will be fast and easy!

- The survey will take about **10 minutes** to complete
- Emphasize online and phone-based options for quick completion
- Will collect basic information about you and your household:

  For each household member *(As of April 1, 2020)*:
  - Name
  - Age/date of birth
  - Gender
  - Racial/ethnic background
  - Relationship to head of household

Other questions:
- Owner/renter questions
Why Wouldn’t Someone Have Completed

- Fear/distrust of government
- Other pressing concerns (health care, job loss, food)
- Thought the Census was over and missed it
- Didn’t realize they had to do it
- Doesn’t matter if I do or don’t
Persuasive messaging

- Focus on impact of Census for community funding
  - Health care, emergency services, roads, schools
- Reinforce Title 13 protections for confidentiality
- Go through limited info collected (name, age, birthdate, race/ethnicity, gender/sex, relationship of household members)
- Explain why you **personally** completed your Census
Other helpful tips

- Show how easy it is on your own phone/tablet
- *Listen* to the concerns of the person if they are concerned about filling it out
- Remind people to include *every person* who lives at their address
- This is last chance to avoid a federal employee knocking on the door!

USE YOUR TEAMS &
ORGANIZED TRUSTED MESSENGERS
THE BOTTOM LINE FOR PUSH WEEK AND DOWN THE STRETCH

You get what you ask for, and not much of what you don’t.
ORGANIZING IS ABOUT ASKING
What will we be asking for this week as we organize & run our activities for the census?
HOW TO MAKE AN **ASK** – 5 STEPS

1. Know your audience—tailor your ask, attitude, language and your message.

2. Build urgency—explain why this is so important right now.

3. Ask for something specific—Filling out the Census or a commitment to fill it out by a particular date.

4. Ask and remain silent – Take yes for an answer

5. Be persistent—try to Get to “yes” if possible
