Note: ACNJ calculated the 2016 county ranks and district totals by using eligibility data from the NJ Department of Education October 2015 enrollment counts (accessed on August 1, 2016) and school breakfast April 2016 participation data from the NJ Department of Agriculture.

Special Services Commissions and vocational districts were excluded because accurate data were not available for these types of districts. Districts with fewer than 20 percent eligible students were excluded. Districts participating in the Community Eligibility Provision (CEP), which allows all enrolled students a free breakfast were included this year.

Eligibility and participation data for Atlantic Community Charter School are from the 2014-15 school year as accurate for the 2015-16 school year were not available.

* This represents the federal dollars districts receive if every eligible child received a school breakfast all 180 days of the school year. These funds can only be used for breakfast expenses. Federal reimbursements were not calculated for CEP districts.

** This district participates in the Community Eligibility Provision (CEP).
