## *Re-determination Process for Medicaid Eligibility Begins April 1st*

NJ FamilyCare/Medicaid recipients have been able to maintain health insurance coverage since March 2020 without traditional redetermination periods thanks to the provisions specified under the nationwide public health emergency (PHE) in response to the COVID-19 pandemic. At the end of 2022, President Biden signed into law the Consolidated Appropriations Act, an omnibus package that requires states to begin re-determining eligibility for Medicaid enrollees starting April 1, 2023. This means that all members enrolled in an NJ FamilyCare program will be reviewed to see if they still qualify for coverage.

It is important that NJ FamilyCare recipients confirm that their most current address and contact information is on file in order to ensure they receive any correspondence regarding their healthcare coverage. **Families on NJ FamilyCare can confirm or update their contact information by calling NJ FamilyCare at 1-800-701-0710.** If a family receives mail from NJ FamilyCare/ Medicaid, they should respond promptly.

## Re-Determination of Eligibility Begins April 1, 2023

New Jersey has 12 months from April 1, 2023 to redetermine eligibility of more than 2 million children and adults currently covered by NJ FamilyCare.

Notices are starting to be sent out from NJ FamilyCare. The managed care organizations are helping with the outreach. You can also help to spread the word to families enrolled in NJ FamilyCare:
