

# Early Childhood Specialists

*Helping children reach their full potential.*

Early childhood specialists work closely with parents to create conditions for success.

Thanks to a new program, South Jersey\* families can now access this professional level of support for free.

***Program services are personalized and include:***

- Information and connections to area resources
- Guidance in assessing your child's development
- Counseling on age appropriate milestones
- Help with developmental testing

***Our expertise is yours for the asking.***

*See back for how to reach us.*

\*Available in Atlantic, Burlington Cape May and Camden counties, service provided through the Southern New Jersey Perinatal Cooperative. [snjpc.org](http://snjpc.org)
